REMARKS					
Order Details For MULTI TRACK MACHINE					
>> BOM No.		No	12/10/2024		
>> CE complied		No	20/12/2024		
>> Date of PO		No	15/12/2024		
>> Penalty Clause					
>> Dispatch date					
>> Trial Date		None			
>> Orientation					
>> Machine Model No.			SPM 300L -2T-1A		
Machine Specification					
1 No. of Tracks	2 Tracks		FACE WASH , SHAMPOO		
2 Product to be Packed	Liquid				
3 Type of Filling Unit	Viscous				
4 Product Specification (Viscosity / Density)	Piston Filler				
5 Pouch Size (W x L) in mm	Viscosity-15000-10000 CPS				
6 Quantity to be packed	75mm x 80mm				
7 Working Speed	5 & 10 M L (Range required in piston cylinder 5 ml -25 ml)				
8 Profile of Sealing	30-40 Strokes/Min				
	But sealing				

Order Details For MULTI TRACK MACHINE										Remarks
9	Provision of Notching	Yes								
10	Filling Tank	Openable Type								
11	Cladding Provision	Non-Pressurised/Normal								
12	Provision of Embossing coding	Yes				T 62				DDMMYY BB DDMMYY First Mfg -DD -Date (0 to 3) , 0 to9), MM -Month(0 to1 , 0 to 9 , YY -Year twin (24 to 34) , (BB Stands for batch (01-09) , DDMMYY -Expiry same as Mfg
13	Web Aligner	Yes				If yes :		Make - E + L		
14	Center Slitting	Rotary								
15	Vertical Slitter	Rotary								
16	Unwind main motor Drive	Not Applicable								
18	Laminate Pulling Drive	Servo Motor Driven								
19	Vertical & Horizontal Sealer Drive	Pneumatic								
21	Piston Drive	Pneumatic								
22	Rotary Valve Drive	Pneumatic								
23	Plane Cut Assembly	NA								
29	Shut off Nozzle Drive	Pnuematic System								
32	Nozzle / Funnel	Liquid - Shut off Nozzle		YES						
33	Hose Pipe (type)	Tri-Clamp								
34	Batch Cut Format	Single cut Sachet & Mat both options								

Order Details For MULTI TRACK MACHINE										Remarks
35	Horizontal Sealer	Butt sealing								KLD attched
	W = 10mm									
	W / 2 = 5mm									
36	Vertical Sealer	Butt sealing								KLD attched
	W = 10mm									
	W / 2 = 5mm									
37	Rotary Valve Coating	HALAR	7 Inch							
38	HMI Size	Solid Shaft								
39	Reel Shaft Type	Heat Sealable Laminate								
41	Laminate Details	Yes								
42	KLD Clearance	Yes								
43	Heater & SSR Fault Detection Box	76mm								
44	Reel Core Diameter	Yes								
45	Trial Material / Product	Individual								
48	Heater control System	3 Stage								
49	Beacon Lights	Yes		If Yes:	Shubham Standard Make					
50	Hopper Level Sensor	Yes								
51	Safety Relay + Safety Switch	Mitsubishi								
52	PLC Make	Yes		If Yes:						
53	CIP System	No								
54	SIP System	Yes								
55	Tool kit	No								
56	Changeover Parts									

Order Details For MULTI TRACK MACHINE					Remarks
57	Secondary Packaging Solution	No	If Yes:	Take away conveyor	
58	Ladder & Platform	No			
59	Machine Guarding	YES	If yes:	SS 304	Shubham Std.
60	SPECIAL NOTES	Extra: 5 Nos plain slitters, 5 nos 4 notch slitters, 3 nos perforation blade, Piston seal 12 nos, funnel seal - 6 no's, Heaters 4 nos vertical 2 nos Horizontal, One funnel extra, 6 nos Pull rollers extra
